Torrance Turns Down County Bond Issues

Torrance had its hand in turning down the county bond issues, it is revealed by complete but unofficial returns from local combined precincts.

While several of the seven propositions which total \$44,000,000 were given a simple majority on a county-wide basis, it was indicated, Torrance failed to even accord that concession.

In Torrance, the vote was as follows: No. 1—Court house bonds, Yes 189; No, 404.

No. 2—Jail bonds, Yes, 210; No, 376. No. 3—Juvenile Home bonds, Yes, 258; No, 325.

No. 4—Beach park bonds, Yes, 215; No, 365. No. 5—County Museum bonds, Yes, 188; No, 401.

No. 6—Art Institute bonds, Yes, 150; No, 428. No. 7—Incinerator bonds, Yes, 258; No, 330.

Supervisors' salaries, Yes, 123; No, 449. The vote was extremely light, with but 615 voters going to the six combined polling places provided for the election.

THE CITIZEN AND THE SCHOOLS... Mrs. G. T. Derouin: The children of Torrance are not getting an adequate education in the school at this time.

Edward R. Stephenson: I went to Gardena High School a good many years ago, and I find as a resident of North Torrance that we have the same trouble with Gardena High School that you complain about with Torrance High School.

Mrs. D. A. Plank: When we came to Torrance from the Pasadena schools, we were so disappointed that I wanted to pack up and go back.

Anderson Winner Of Four Trophies At National Meet

Telegrams received from Torrance Model Race Car Club members attending the National Model Race Car meet in Detroit, reveals four trophies won by Andy Anderson who scored 206.14 points with his spur gear model for the three month period here.

Howard Lee established a new Prototype record when his model was clocked at 111.53 miles per hour.

Lee Borden of Illinois, who raced his spur gear here last winter, turned 117.52 m.p.h. for the spur gear record.

On the local front, membership now has attained the 93 mark and expected to reach a 100 before many more meets here.

Quarterly standings for the spur gear went to Paradiso, 108.14 m.p.h., Thilde, 104.10; Jansen, 102.09 and in the prototype Alphant took top honors with 95.41 m.p.h. Poore was second with 95.30, followed by Boertz and McChesney, who raced 92.25 and 92.04.

Lomita Five In Second Place League Honors

The Thursday night Men's 850 Scratch League at the Torrance Bowling Academy ended last Thursday night with Redondo Playland winning top place. Lomita Auto Parts and Hamburger Hut won second and third places, respectively.

High individual game honor went to Bud Work, who knocked the maples around for a sizzling 270. High team game went to Lomita Auto Parts. This team rolled a 1018 which is good in any bowler's language.

Redondo Playland also walked off with the high team series of 2764. The Sunday night traveling match games have been attracting much attention lately.

The Torrance boys bowled Redondo Beach last Sunday night at Torrance and really came back to reconcile themselves for the wholopping Redondo gave them a week ago.

The Redondo Boys also took a beating in the doubles match rolled immediately following the team match. John Clark just forgot to cool off and rolled a 627 series for his second 600 series of the evening.

THE CITIZEN AND THE SCHOOLS Mrs. G. T. Derouin: The children of Torrance are not getting an adequate education in the school at this time. It happens that I went to school in Torrance, and I know of what I am talking. The children are not being properly prepared to face the issues of life and I certainly hope that the City Charter will not have any opposition at the polls Aug. 20. I am going to vote "Yes" on the Charter and ask that all other parents do the same. Edward R. Stephenson: I went to Gardena High School a good many years ago, and I find as a resident of North Torrance that we have the same trouble with Gardena High School that you complain about with Torrance High School. We would like to see all the schools of Torrance united under one school district as you propose under the provisions of the City Charter to be voted on Aug. 20. Mrs. D. A. Plank: When we came to Torrance from the Pasadena schools, we were so disappointed that I wanted to pack up and go back. The schools here were so run down and dirty. However, my husband was employed here and we had to stay. The next best thing that I can see is for the people of Torrance to take control of their own schools and see that their children have the teachers, classwork, educational assistance, cleanliness and equipment which will give them the best schooling possible. Aren't all our children entitled to that? After all, we are paying for the best now, so let us have the best in schools for our children.

ALHAMBRA PARTY The Alhambra home of Mr. and Mrs. Edward (Bud) Phillips was a setting for an enjoyable barbecue dinner Saturday evening when friends from Torrance and other friends were entertained. Cards furnished diversion following dinner. Included were Messrs. and Meses. Dr. and Mrs. O. E. Fossum, A. Shriner, L. C. Miller, J. H. Fess, J. E. Miller (just returned from Crestline), all of Torrance; Childs, Lomita; Vena and Jess Hamilton, Los Angeles.

Anderson Winner Of Four Trophies At National Meet Telegrams received from Torrance Model Race Car Club members attending the National Model Race Car meet in Detroit, reveals four trophies won by Andy Anderson who scored 206.14 points with his spur gear model for the three month period here. Jansen and Graves followed with 204.19 and 196.04 points respectively. Howard Lee established a new Prototype record when his model was clocked at 111.53 miles per hour. Lee Borden of Illinois, who raced his spur gear here last winter, turned 117.52 m.p.h. for the spur gear record. Borden's midgear broke loose on the final lap and became air-borne, striking the crash rail only a few inches from the head of time keeper Woody Woodman. On the local front, membership now has attained the 93 mark and expected to reach a 100 before many more meets here. Quarterly standings for the spur gear went to Paradiso, 108.14 m.p.h., Thilde, 104.10; Jansen, 102.09 and in the prototype Alphant took top honors with 95.41 m.p.h.
